

MANCHESTER REGIONAL HIGH SCHOOL
Haledon, New Jersey 07508
70 Church Street
(A Best Practices School)

Office of the Vice Principal and HIB Specialist,

Manchester Regional High School conducted a self-assessment of the HIB programs and structures that we have had in place during the 2013-2014 school year. This was conducted as per a Department of Education mandate given to all public schools.

Manchester Regional High School reported a score of 62 out of a possible 75 HIB points based upon a rubric given to all public schools by the Department of Education.

Our scores have been presented to the Manchester Regional High School Board of Education on 9/11/14. Once official acceptance of these scores is sent to us by the Department of Education we will post the official receipt that the Department of Education has accepted these scores on our school website.

Our score of 62 out of 75 represents the various initiatives that we have put into place at Manchester such as our Week of Respect, Day of Silence, Breaking the Cycle Assembly, Gay Straight Alliance Club, as well as various other practices we have adopted in order to raise student awareness of this important issue.

Thank you,
